

Title of meeting	Y&H Public Health Taster Session
Date	Tuesday 29 th November 2022
Time	10:00 – 12:30
Venue	Microsoft Teams
Chair	Chris Sharp

This Public Health Taster session has been designed to provide an overview Public health, some of the key public health challenges within local, national and global health and an opportunity to meet and learn from some of our experienced and dedicated public health professionals.

During the session delegates will hear first-hand from staff based in our different functional teams about;

- How we work as part of a Public Health System to protect and improve health
- Who we work with (our partners and stakeholders)
- What we 'do'

This Public Health Taster session is aimed at people who are keen to understand more about the scope and breadth of Public Health. The day will also inform what you can do to improve and protect health in your everyday practice.

The session also covers career and development opportunities in Public Health.
