Workforce Development in Yorkshire and the Humber

Prof Val Barker, Head of School of Public Health Y&H

Alex Drago, Programme Manager, HEE NE&Y

Chris Sharp, Workforce Development Manager, OHID Y&H

- We work collaboratively with system leaders to build the capability and capacity of the core and wider Public Health workforce.
- We develop plans to ensure workforce capacity and capability is in the right part of the system to deliver against key public health priorities

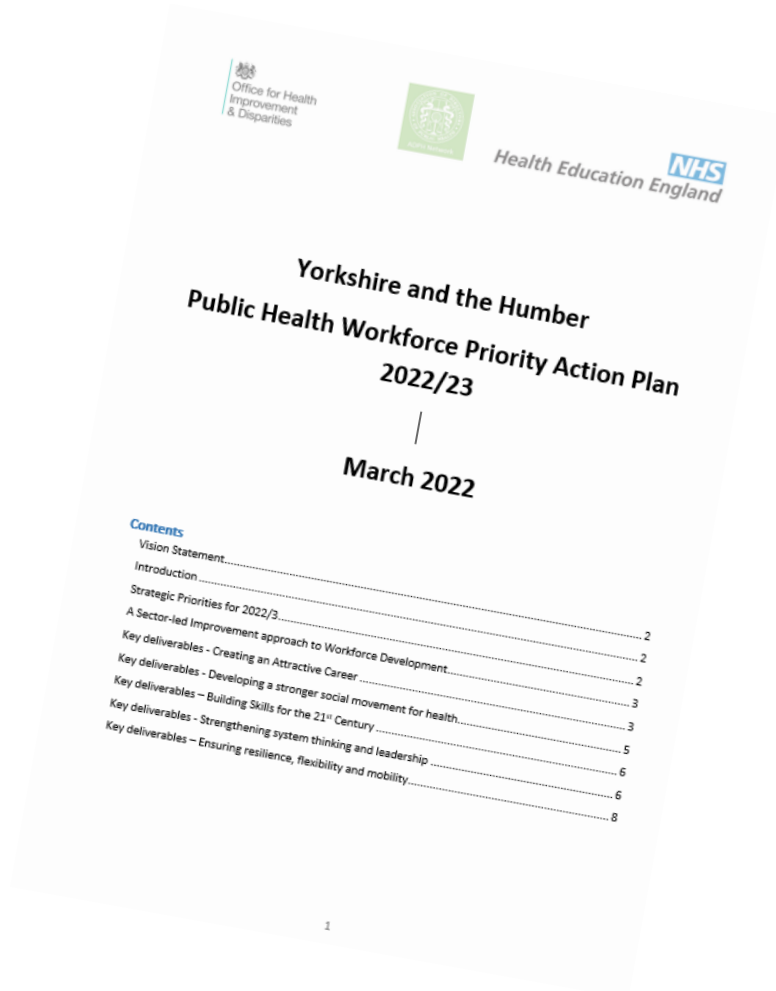

Some of our key workforce priorities for 2022/3

Core Public Workforce

- [Public Health Specialty Training Programme](#)
- [Public Health Practitioner Support Programme](#)
- [Level 6 degree Apprenticeship Public Health Practitioner Programme](#)
- [UKPHR Specialist Registration by Portfolio Assessment \(SRbPA\)](#)
- CPD and e-learning

Wider Workforce Development

- [Foundation in Public Health programme](#)
- [Level 3 Community Health and Wellbeing Worker Apprenticeship](#)
- [Making Every Contact Count/Healthy Conversation Training](#)

Useful workforce development resources

- **ADPH Yorkshire and the Humber website:**
 - [Links to the work for 17 Communities of Improvement](#)
 - [Resources and tools](#)
 - [Events, webinars and conferences](#)
 - [Career and workforce development inc links to PH Practitioner Programme, PH Apprenticeships, Recorded webinars that can be accessed on demand](#)
 - [Register for OHID Y&H Health and Wellbeing Monthly update](#)
- **School of Public Health:**
 - [Links to Speciality Training programme, case studies, EDI resources](#)

Useful workforce development resources

- **Useful external resources:**

- [Open University free public health course](#)
- [Coursera](#) and [Future Learn](#) courses, low cost and some free
- [Faculty of Public Health Textbook](#) online resource which covers all the public health skills and competencies
- [UKPHR Webinars and Podcasts](#) for further detail on the portfolio route
- [The Population Wellbeing Portal](#) resources are free to access by anyone working in healthcare and population health
- [All Our Health](#) bite-sized e-learning sessions to help professionals protect and improve the nations health
- [Behavioural & Social Sciences](#) workforce development resources

Thank you – Any questions
