- Increase social mobility
- Promote inclusive & sustainable economies
- 'Level Up' - increasing pay, employment & productivity
- Amplify the essence of place-based initiatives

## Events & Resources: Level 6 Public Health Practitioner Degree Apprenticeship Programme

The project plan below highlights the key milestones for 2022/23 during the recruitment and enrolment process.

Employers considering September 2022 enrolment should ideally be at the stage of identifying apprentices or submitting applications if you have taken the initial steps. Any employer requiring support can reply to this email.

Employers considering the online provision of the University of West England (UWE) can find out more about their provision in this video. Find their contact details in attachment 2.

For employers considering January 2023 enrolment, University of Salford is hosting a webinar on the 23<sup>rd</sup> of June 2022. See details at the upcoming events section. Details of Salford's provision can also be found in attachment 2.
