

# Minding the Gap

- **Led and funded** by the Directors of Public Health in Yorkshire & the Humber (ADPH Y&H)
- Overseen by a **diverse steering group** (NHS, elected members, local and national government)
- **Drive action** on the determinants of health to reduce health inequalities
- **Broad reach**; elected members – key audience as local decision makers
- **Monthly newsletter and events (webinars and in-person)**; sharing learning and best practice
