Becoming a CCG of Sanctuary

CCG of Sanctuary Charter

NHS Hull CCG holds the vision that we will be **a welcoming place of safety** for all and proud to offer sanctuary **to people fleeing violence and persecution**. A “sanctuary” is a safe place, where people can live without the threat of violence or death, which was the reason they fled from their own country.

CCG of Sanctuary Action Plan

- Work began in June 2020 to scope requirements. First CCG in the country.
- Three major principles of **learn**, **embed** and **share**.
- Developed mission statement and charter.
- In the pipeline - a toolkit to support other CCGs in the country to achieve the status.
- Partner agencies involved from early stage.

Education and development

- Collaboration with Migration Yorkshire to develop an online training package.
- Training for all CCG staff.
- Training events planned for PCNs, volunteers and champions.
- Will all staff know what to do if someone seeking sanctuary knocks on our front door?
